Subject: Store to DC Realignment - Goodyear DC
July 8, 2009

Please immediately alert your Traffic/Shipping Manager and EDI Department Manager

Effective **August 31, 2009**, the Macy's Stores identified in the chart below, which currently are serviced by the Macy's Mission Rd or City of Industry Distribution Centers (DCs), will instead be received by the **Macy's Goodyear Fulfillment Center**.

From and after August 31, 2009, the Goodyear will act as a receiving facility for the Macy's Stores listed above and in the chart below due to the distance of these stores from the Macy's Mission Road and City of Industry, DCs. Macy's Goodyear Fulfillment Center will be recognized as **DC location (AZ)**. For routing information use the Routing Guide posted on <http://www.macysnet.com>. **Accordingly, from and after August 31, 2009, all small ticket and soft home merchandise must be shipped directly to:**

Macy's Goodyear Fulfillment Center - (AZ)
16575 West Commerce Drive
Goodyear, AZ 85338

Note: All UCC-128 shipping labels must provide the correct DC address. EDI Instructions: Macy's Purchase Orders with an "in DC date" of August 31, 2009 or later, must follow this routing change and all EDI documentation must be updated accordingly. The EDI 856 Map Specs must reflect the correct information and each ASN must use the new DC code EDI N1-ST = (AZ) in the N104 data element. Also:

Your ship notice must be in our system before your shipment arrives at the Goodyear receiving dock.

Each shipment must have a UCC 128 label and all required zones completed, reflect the **new address listed above**, and include a valid SSCC 128 bar code providing the ability to scan the label upon arrival.

Label must be placed on the outside of the carton and be clear of any internal label or packing slip envelope overlay.

Macy's recognizes that this is a major change for our vendors and appreciates your partnership in this initiative. Accordingly, we ask that you please:
