Dear Macy's Rug Vendor:

As you have probably heard, Macy's has elected to change the manner in which its rug departments will be operated. Specifically, in stores in which the rug departments have been operated by Macy's, there will be a conversion so that the departments will be run as "leased operations." The effective date of this conversion is Sunday October 4, 2009. Kenneth L. Mink & Sons, Inc., an existing Macy's vendor, has been named as the go forward leasee.

Please work with Kenneth L. Mink & Sons, Inc. for all on order and related invoices for shipments after October 3, 2009.

The contact at Kenneth L. Mink & Sons, Inc. is:

David Mink Jr.
856-241-9647 ext 216

Macy's appreciates the partnership we have had for many years and looks for your support during this transition. As always, if there are any questions regarding this change, please contact the Vendor Services help desk at 513-782-1412.
