

855 Inbound Purchase Order Acknowledgment

Macy's
VICS Document Mapping

VICS Version 4050
Effective 06/01/07

The following is an outline of what is required when receiving VICS 855 Purchase Order Acknowledgments from a vendor. For definitions of the segments, please see the VICS retail industry conventions and guidelines for EDI.

Deviation from this format may negate our ability to receive data from trading partners.

The following segments are based on VICS 4050. Refer to individual manuals for differences in standards.

To test this document, contact the divisional EDI contact listed on the Technology Contact Listing (www.macysnet.com).

Note: Functional Acknowledgments will be sent for all documents transmitted to Macy's by vendors.
