Dear Vendor:

As you know, Bloomingdale's is rapidly evolving into a seamless omnichannel retailer that provides customers what they want, when they want it, and how they want it. This is requiring us to change some of our processes and systems – both internally and in the way we interface with our vendor resources. The following describes some changes you will need to make related to shipping and invoice information for merchandise you sell to Bloomingdale's.

As with all transactions, **the EDI transmitted purchase order must continue to be your guide.**

- The bloomingdales.com fulfillment center and photo studio location numbers will be changed. The “new” Bloomingdale's (Trading Partner ID 6113310072) location number for Cheshire Pool Stock (CHC) is 135 and the photo studio is 132.
- Merchandise shipped to this fulfillment center must be packed in accordance with the [.com Packing Standards](#), available on [macysnet.com](#).
- Purchase orders previously generated and EDI transmitted for the bloomingdales.com (Trading Partner ID 6113310079) warehouse location **will not be re-transmitted. Please process and ship those previously generated purchase orders as-is. In the future, purchase orders for bloomingdales.com warehouse locations will be generated and transmitted by Bloomingdale's (Trading Partner ID 6113310072).**
- You will begin to receive EDI transmitted purchase orders with these changes in mid-June, 2014. The In DC dates for these purchase orders will be August 3rd, 2014 and after.
- **Advanced Ship Notices (EDI856) and Invoices (EDI810) must be sent to the same Trading Partner ID and use the same location numbers transmitted on the Purchase Order (EDI850).**

This change will be limited to the following Bloomingdale's/bloomingdales.com departments:

- 71 Petite Social Dresses
